

# Interviewing the Community

**This questionnaire could be used with someone who has been identified by the church staff as having a wealth history with the church or information about it.**

Name of community member .....

Length of time lived in the area  
(remember to be sensitive when asking people personal questions e.g. age) .....

1. Have their family always lived in (name of town/village/city)?  
For how many years do they think their family has lived there?
2. If their family has lived there for a number of years, have they always visited the church?
3. Do they know any interesting stories about the church?
4. What do they know about the church generally?
5. Why do they like to go there?
6. Any other question you would like to ask them/questions which have arisen from the interview?  
Their answers could lead to more information and research...
